Well that's the tree I thought you were talking about. I don't think it's dead. I do think it needs to be trimmed. I do think it's on LAWA property. I also think it's a protected oak tree. Let's ask John Ruhlen.

John, is this tree behind Ralph's Market dead? Is it an oak tree or something else?

I have never involved myself too much with the west side of Sepulveda Westway and haven't seen those shopping carts before. Now that I have, I can have the lock cut, if you'd like me to.

What sidewalk, where?

I will have andy look at the sidewalkwe may decide we want to pay for it ourselves. I will keep you posted.
